

Call for Papers

Dear Participants!

A number of works will be published as short communications at the special issue of the Chimica Techno Acta journal (CTA, Scopus indexation, <https://journals.urfu.ru/index.php/chimtech/index>).

These articles are supposed to be prepared in English according to the requirements of CTA, see author guidelines at <https://journals.urfu.ru/index.php/chimtech/about/submissions>. The template is available at https://journals.urfu.ru/public/journals/6/miscdocs/CTA_template.rtf.

Specific requirements for short communications of the special issue:

- Length: no more than 3000 words (excluding references).
- The number of representative materials (figures, tables, schemes): no more than 5.
- The number of references: no less than 20, but no more than 40; only papers with DOI should be cited (citations of inaccessible (in particular, only Russian-language) sources are not allowed).

All papers will be peer-reviewed according to the regular procedure of CTA by two (as minimum) independent referees.

Start of articles submission – 1st September 2020, deadline of articles submission – 1st November 2020.

Once an article is accepted, it will be immediately (after a proofreading) appeared at the journal's website with the corresponding DOI.

Complete article information (volume, number, pages) will be available after collecting all articles and forming the special issue by 1st May 2021.

If you have any questions, please address them to the member of the organizing committee, Dr. Dmitry A. Medvedev (dmitrymedv@mail.ru). Please, indicate “Special issue of CTA” at the theme of your letter.

Kind regards,
Organizing committee
